

Sam and Jon on the Road in 2010

Sam shopping for her new car in March - got a Prius...

..and at the New Museum in Manhattan in July

August: At Jo and Olav's in Madison, and with Marcia and Valeria in Dubuque

Sam in Columbus Circle in November...

...and Jon with Roger and Marie at Longwood Gardens in December

Dreaming of sailing in Boston in December...

..and remembering Barbara, here at Mousehole in Cornwall in 2003, who passed away in November. She passed on her love of travel, and will be with us always when we're on the road!
